Dave,
To a really
great guy. Remember
all the fun we had in
Study Hall this year writing
"Carfax Gum" on 3x5 pieces of
paper. Lots of love and luck,

Foreword

It is with regret that we, the Class of '73, say farewell to A.C.S. and begin cautiously on our separate journeys. We would like to pause for a moment and extend our sincerest appreciation to everyone who has guided us through the years.

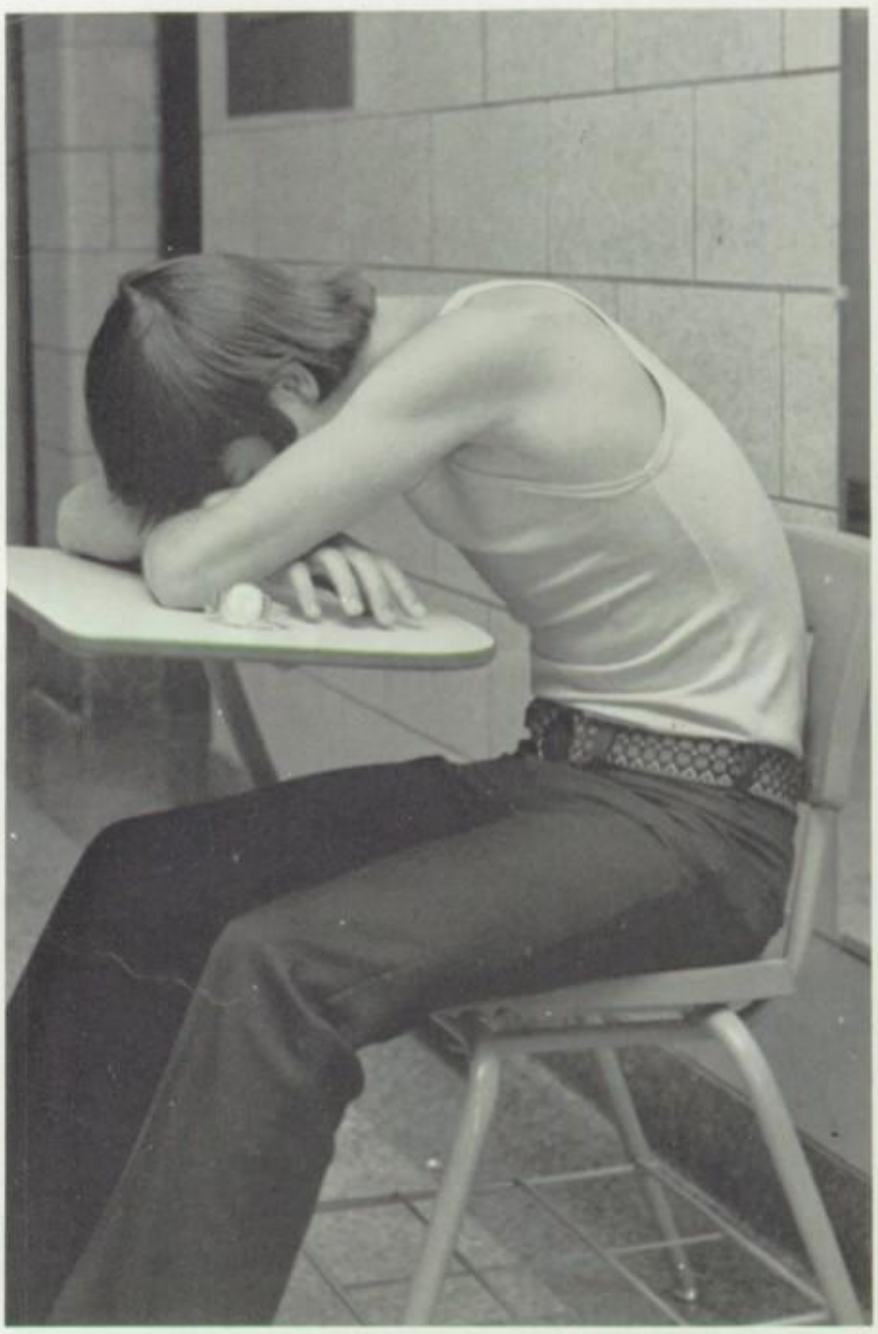
Now we must prepare ourselves to get into the swing and rhythm of life as adults. The world awaits us. We must leave, accompanied by many memories.

Time for Livin'

I kicked off my shoes,
And felt the good earth
Under my feet.

I loosened my tie,
And felt what it feels like
To breathe.

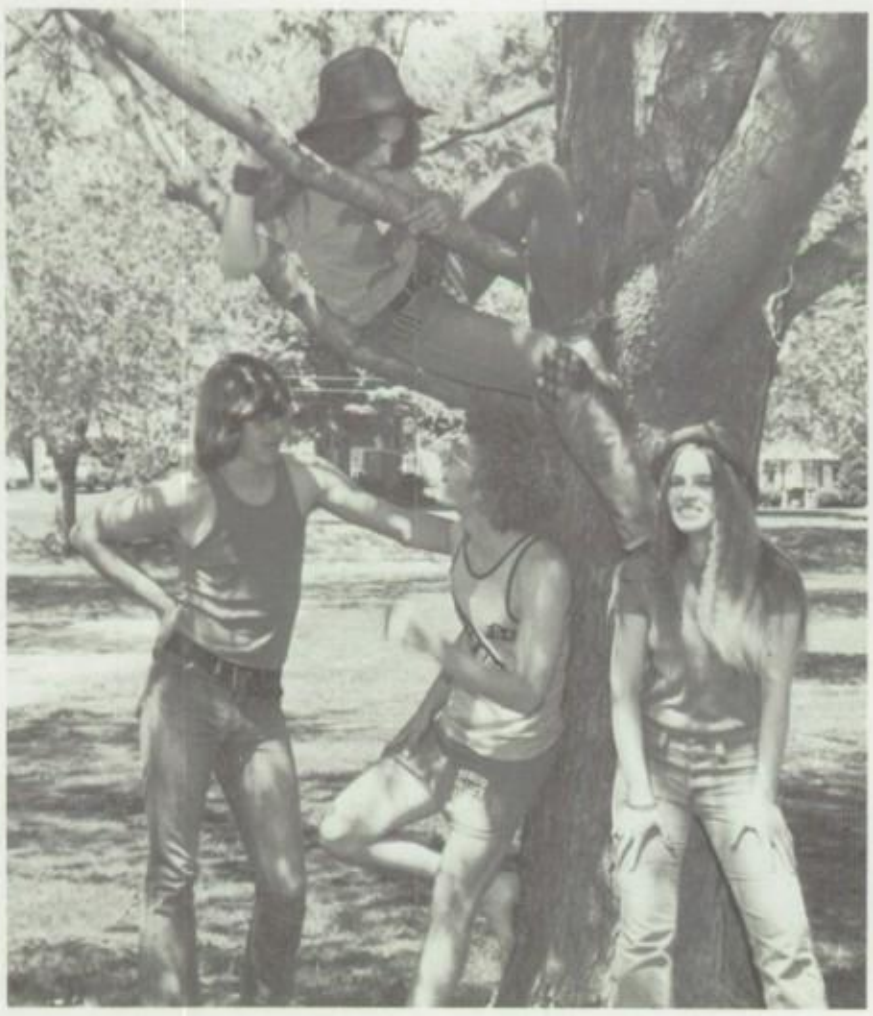
I took off my watch
And found I had all the time
In the world.



I opened my arms
So I could hold life
Like a girl.

Too busy to stop
And notice the things
That are real.

Embarrassed to talk,
About all the things
That I feel.



It's so strange,
Never noticed the world
All around me.

Hey, look I've changed.
My attitudes been
Rearranged.

From now on,
I'm taking some time
For living.

Dedication

Mr. Gaylord Ribby

To express our gratitude for 15 years of faithful service, we the class of '73 would like to dedicate this book to Mr. Ribby.

He has devoted long hours to dealing with a multitude of problems, but through it all he has taught with understanding and a willingness to help.

Mr. Ribby's new position, among other things, deals with scheduling classes, general supervision of school activities (sports, assemblies, etc.), orientation of new teachers, and planning student trips. Fortunately, Mr. Ribby's new duties will not exclude him from classroom contact with students, as he will continue teaching American History.

Good-luck, Mr. Ribby!!

Administration

Retirement

MR. and MRS. A. WARREN DAYTON

Two members of our staff, Mr. and Mrs. Dayton, retired last June after many years of service at A.C.S.

Mr. A. Warren Dayton holds an impressive record of 42 years as a teacher. During his career he has taught math and science and for 30 years served as our supervising principal. Prior to coming to Alexander he taught at Leroy and Bergen. Mr. Dayton always sought to instill high standards within us, and to lead us to a more mature attitude toward life.

Mrs. Flora Dayton served as our head librarian for 20 years, following a teaching career at Oakfield and Leroy. She was the advisor for the Honor Society for many years. All of us will retain fond memories of Mrs. Dayton's quiet encouragement and enthusiasm as she led us through the world of literature.

Mrs. Salmon, a home economics teacher at Alexander for five years, retired last June. Oldest of a large family (15 children), she was educated in Buffalo, graduating from Buffalo State. She taught in Orange County for eight years, then became an extension and a home demonstration agent. After 31 years she came to Alexander where she became a welcome addition to our Home Ec. department.

MRS. ELEANOR SALMON

MRS. HELEN SCHENCK

After twenty-one years at Alexander Central School, Mrs. Helen Schenck, retired last June.

She was a dedicated teacher and a friend to her many English students throughout the years.

Every student will always remember her great devotion to her work, her understanding and guidance which aided many of us.

We are grateful to her for giving us so much to remember.

Mrs. Capwell, a teacher of elementary grades, retired last June after completing twenty years of teaching at Alexander Central School.

Those of us whom she taught will always remember her kindness and understanding in preparing us for a future education.

She will always be a part of our memories of Alexander Central School.

MRS. RUTH CAPWELL

Principals

MR. SAMUEL J. PIRRO

We wish to express our congratulations to Mr. Pirro on his new assignment as Supervising Principal. From past experiences we have found that he is a man very much interested in the students and their activities. He has encouraged us to strive toward our goals and with his help we've obtained them.

MR. CHARLES YUECKSTOCK

Mr. Yueckstock is now in his second year as Elementary Principal. Through his guidance, our young students are encouraged to put forth their most and to develop as fully as possible. Best wishes go to Mr. Yueckstock in his great responsibilities.

Class History

MRS. GLOR

As we, the Class of 73, look back with fondness on all our days spent in these halls, and perceive the future with trepidation and/or anticipation we are once again reminded of the pinnacle upon which we rest. We especially treasure the moments when our whole class seemed as one: in the earlier grades it was class picnics and track meets; as Sophomores we enjoyed our fun nite, Christmas party and our record hop; as Juniors there was the candy sale and thrill of receiving our rings; and now, as Seniors, we are once again reminded of our unity thru activities such as the magazine sale, patron's day, our dance and sock hop, the Senior trip, the Senior Ball, Class Nite, the Senior play, and lastly, Commencement. But soon, all too soon, we shall have only the yearbook and our memories to remind us of all that once was.

Americans Abroad

Last summer I was one of the fortunate participants in the AFS summer program to Lebanon. I lived in Boalbeck, a village near the Syrian border world famous for its Roman ruins which were one of the seven wonders of the ancient world.

My family was Moslem, and so it was quite an experience for both my family and me. We had a large household, my father, a merchant between Damascus and Boalbeck; my mother, a very capable and warm-hearted woman; and my five brothers and four sisters, ages three through twenty. My oldest brother Mohammed was a soldier and spoke French. Eighteen-year-old Abbas was the only one who spoke English; he hopes to come to New York to study medicine. I was probably closest to my sister Lou-lou, who at fourteen was responsible for much of the management of our family. Neither she nor my mother knew how to read or write, but they helped me in every way possible. My entire family was wonderful to me.

There is a mixture of old and new, eastern and western civilization in Lebanon. The cities such as Beirut are for the most part modern, but in traditional areas such as Baalbeck, many people live almost the same as their families have for centuries, except for the addition of the electric light bulb. I think that, because of this cultural diversity, I probably had an unusually worthwhile and enriching experience.

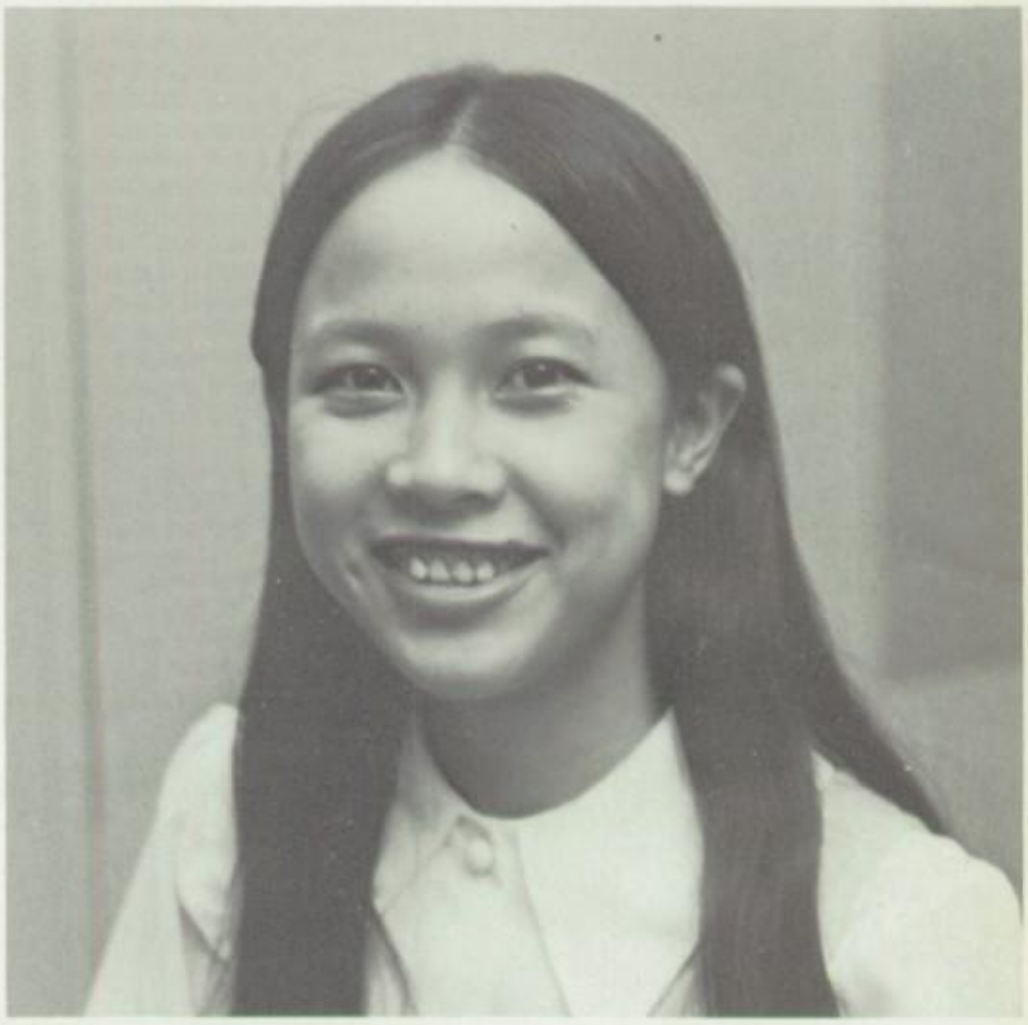
Last summer I had the greatest experience of my life. As an American Abroad, I lived in Tegucigalpa, Honduras for two and a half months.

Honduras is in Central America, and most of its villages are isolated by mountains. Tegucigalpa the capital, is still very traditional; many of the old customs still pervade, such as chaperoned dating and hand-pounded Tortillas. The people belong to a very beautiful race of mixed Spanish and Indian blood.

I lived with the "familia Dominguez" in the modern colony outside the city. My mother, three sisters and brother helped me to learn Spanish. I went to a private school for girls for five weeks with my sister Suyopa, who is studying bookkeeping. The only class I could understand was geometry, but I had the chance to make many friends this way. My classmates made me feel like one of them. Although we didn't travel outside the city much, I got to know the area and the people near my home well.

Many people, when they travel, only have the opportunity to see the sights. With A.F.S. I had the chance to live with a family, and in this way got to know Honduras better. I'd like to thank the A.F.S. committee and all the other people who supported me.

American Field Service



DALAD TANANCHAI
"Al"

I am one of the Thai A.F.S. students who is now spending a great year in America. I live in Chiengmai, a city in the Northern part of Thailand where I was graduated from a private school. Before I came here I had one month in a university in Bangkok, which is the capital of Thailand. I have two sisters and a brother; my father is a farmer and my mother is a dressmaker.

We have no choice of subjects in schools in Thailand. We have to learn subjects that are required from grades 1-10. In 11th and 12th grade, we have three majors of subjects; Science major, Liberal Arts major, and General subject major. We have to take either of these three majors. I took the Liberal Arts major which concerns Languages, Literature and Humanities.

Thailand is situated in the middle of Southeast Asia. Its land area is approximately 200,000 square miles. Bangkok-Thonburi Metropolis is the new capital of Thailand. Bangkok used to be the capital city but we've just included Thonburi to form our new capital city; with its unique features of numerous canals, elegant palaces, colorful temples, and shrines, Bangkok is often referred to as "Venice of the East." Two other lovely names given to Thailand are "The Land of the Free" and "The Land of Smiles." The first name is given because of the country's name, "Thai" meaning "The Free" and because it has maintained independence throughout its recorded history; the second name is a reference to its hospitable people.

The national religion of Thailand is Buddhism. Thai is the national and official language, but English is widely used.

My coming here is a very great opportunity to learn and experience something different, to understand and involve myself in a new life. I would like to thank everybody here. Without all of you, my coming here could not really be a successful visit. This year of experience will greatly influence my future.

One more for the road

What's new?

Surprise

Gol-1-ly!

Peace Baby

It was so sad

Hi friends

Give me a little kiss

How does it taste?

Surprise

Aren't we cute

Rubber Duckie

I did it!

Puppy love

Sorry about what?

Hang in there

Dave,
I hope next year is better for you than this year was. Don't let life get you down. Best of luck guy, you deserve it.
Debby

The Trojanaires had a busy fall schedule. In November, we presented our annual Candlelight Cafe and made the sounds of the 60's and 70's spring into everyone's memory.

December was a most active month. On the 13th we participated in Chorus-In-The-Round and on the 17th, the Trojanaires appeared in the Christmas Choral Concert.

As February draws near many individuals are preparing solos to perform at the county solo Festival. The Trojanaires are planning to attend the Alfred Choral Festival in April, and are making ready for the Spring Concert in May.

It has been and will continue to be a terrific year for learning, having fun, and making friends through music.

G.A.A.

The Girls' Athletic Association is one of the most actively enrolled organizations throughout the school year. The girls engage in field hockey, basketball, volleyball, swimming, softball, track, badminton, and bowling.

Annual events sponsored by the G. A. A. include Fun Night, a weekend camping trip, and the G. A. A. Banquet which concludes the year's activities. At the end of each year, awards are distributed at the banquet.

The goals of the G. A. A. are to develop the individual physically, intellectually, emotionally, and socially while playing in team sports.

Learning to work and play together with peers in a constructive and healthy atmosphere is a treasured experience for every girl in the Girls' Athletic Association.

F.F.A.

The FFA has had a busy and eventful year. The boys have participated in the New York State FFA Convention, Delhi Dairy Judging Contest, New York State FFA Camp, Genesee County and New York State Fair Judging Contests in Dairy, Livestock, Vegetable Crops, and Field and Forage Crops judging. In addition to this, the chapter has had a seven acre corn demonstration plot and held several money raising events. Proceeds from these are used in the leadership training program and to carry out several agricultural training projects.

The varsity Trojans compiled their best record in recent years with a 6-1-1 season. The Trojans featured a very stubborn defense, along with an effective offense. Their only loss was at the hands of Attica, the league champions, on a very questionable play as the game ended 7-6. The team placed five players on the first all-league team, and two on the second team. The Trojans won honorable mention among small high schools in New York. Attendance records were smashed, as this year saw a lighted football field provided by the Tri-Town Youth Athletic Association. Seven school records were made by the 1972 Trojans:

Most points in a single season - 169
Most points in one game - 46
Tied most consecutive wins - 7
Widest margin of victory - 35 to 0
Offensive rushing - 1800 plus yds.
Defensive against the rush - 790 yds.
Rushing record (Gary Dominick) - 677 yds. in 5 games

Varsity Basketball

It is true that this team was not a winner. Although they have won only two games opposed to eleven losses up to this writing - spirit, hardwork, and determination marked this year's club. There was pride taken in the steps toward their goal - to play hard and fair, and in the final analysis, we are sure that both coach and players gave Alexander all that they could.

Wrestling

Last year's wrestling team finished with a 1-8-1 record. We had some fine individual wrestlers though. Bob Graham, then a sophomore, had a 13-4 record, won the LeRoy Christmas Tournament, and was also County Champion at 112 lbs. Keith Hargraves also won at LeRoy and was County Champion at 119 lbs. Bernie Schmieder, our captain, was third at LeRoy and second in the counties at 177 lbs. Greg Schmieder, a freshman, had a fine year with a record of 6-4.
